WHORE

**SURPRISE,  
PIGGY!!!**

You lied about  
your age, pig slut.  
What a bad girl you are!

Your friend ratted you out, bitch.  
I knew all along when you sat at  
my couch and lied to my face!

Wha-- But how?!  
How do you know--

What the hell?!

Your friend called before just to tell me that you would be 50 today and she still 39. Guess she wanted to undermine you and gain attetion to herself. I just didn't knew you would lied about it when I asked you!

What the hell, Nami?!  
You didn't had the right!!  
I specific asked you to not tell about this!

And when you didn't mention you are already 50 and today was your birthday I knew I had to throw you a surprise party, pig slut!

Sorry, Robin! I'm really sorry!  
I wanted to appear younger to the director!  
I just wanted to make a name for myself...  
This was before we even came here!  
I didn't know this would happen!

At my expense?!  
By telling I would be 50 years old today?!  
Can you never play fair? Shame on you, Nami!

Don't be like that. For what it's worth, you two suck at porn but you did a better performance even being a 50 years old slut. Double shame on the red whore!

But enough chat! We have prepared a special tasting menu for your special day!

Alright bitches, let's get started! Despite the little feud,  
after today you two are bond together as whore sisters forever  
now to seal that you two will have a glass of "**piss champagne**"!

It was 'made' today by the guys.  
Drink it while crossing your arms,  
like you two are lovers.

These two girls are  
now they are  
whore sisters

\*I can't believe this...  
Haven't they done enough  
to us?\*

Aaaahhh

Aaaahhh

\*This is awful!  
What the hell is in this piss?!\*

Next is the "cum wine"!  
Now this one is from our special reserve!  
It was "made" years ago by the guys!  
We keep it in the fridge to feed whores like you.

It should be reeking like nothing you ever felt.  
*Smell it* pretending you two are classy  
ladies smelling a fine wine! *Come on, now!*

*\*Oh God no...  
This thing is putrid!\**

Very good, whores!  
*Now, drink it!*

\*Drink it? More sick games...  
I should be disgusted by it  
but I don't care anymore...\*

THAT MUST HAVE MELTED YOUR BRAINS!  
YOU TWO LOOK SO STUPID! HAHAAAAHA!

NOW LET'S START THE NEXT ITEM!  
***GUYS!!***

Haaaahh

Haaaahh

\*Whaaat is going ooon?!  
I can't think straight!  
This thing ravaged all  
my senses!!!\*

Now it's time to eat something!  
We'll make the "slut cake" recipe today!

What?! Didn't we do enough  
gross stuff today?!  
Look at Nami! She is broken!  
She can't do it anymore!  
And I can't either!

You want us to eat this cake  
like that after all we've  
been through today?!

Eat the cake like this?  
Of course not!

Because it's not ready yet!!  
Get over here, red whore!

This is your friend's birthday celebration cake!  
You're responsible for finishing it!

Aaahhhh

VEN  
SLUT

Alright, bitch!  
Here goes the first one!

Wait, what is that?  
What the hell are

Can't you see she  
can't handle it anymore?

Okay. We can stop anytime.

The guys will help you with that.

Your drinks are ready!

We have just finished brewing it!

It's the specialty of the house!
